

*Welcome to English 10!*

*I am excited to be your teacher this year. What do you hope to experience in this class?*

*I want us to*

- 1. Feel seen and heard.*
- 2. Create things that make us proud.*
- 3. Laugh together!*

*Here are some things I love to talk about. Do you like any of these things? If not, what do you like?*

*I love learning about new things.*

- *Horror movies, shows, and books*
- *College football*
- *Video games*
- *Traveling (I went to Spain and Greece this summer)*
- *Large Group Speech (I am the coach—we perform scenes, do improv, all kinds of fun stuff)*
- *Funny and sweet things my 7-year-old daughter says or does*
- *Mental health and how to take care of myself*
- *How to run an online business and manage money*
- *Skiing (I have been learning the last few years!)*
- *Fashion*
- *Writing novels*
- *Practicing my Spanish (it used to be good, pero ahora es más o menos)*

*I usually keep the lights low because bright lights give me headaches, but let me know if it's too dark for you. I also like to keep things organized. It helps me think—what about you? I plan a mix of quiet and talking activities because I like both. Do you? What about any other needs I should be aware of?*

*Sincerely,*

*Ms. Brinkmeyer (you can call me Ms. B)*
